

## KID'S COTTAGE DAYCARE SOCIETY

QUALITY NON-PROFIT CHILD CARE SINCE 1993

JULY 2021

We are excited that things are slowly getting back to normal! As things start to open up again, we will be keeping the summer low key with lots of onsite fun!

Just a few reminders

1. Fees are due by July 1 – e-transfer only
2. Please remember to call if you will not be attending or will be after 9:30
3. Please keep items in cubbies to a min. All items should fit neatly in the new cubby bins and not overflow. Please clean out your child's space regularly
4. Please remember to assess your child daily for signs of Covid-19. You are not permitted to enter the building if you are showing signs of Covid-19. Staff will conduct a verbal health check each morning.

### Summer Weather

The weather is heating up! Please ensure you bring your child to the daycare with sunscreen on, when needed, in the morning. We will re-apply as needed throughout the day. Please ensure you send a water bottle, already filled with water, each day and we will refill as needed. It is a good idea to pack an ice pack (or frozen juice or yogurt) in their lunch kit to keep

items cold and fresh! Please check to see that your child always has the appropriate spare clothes in their cubbies. Please label all your child's items.

Please bring a bathing suit and towel that can be left at the centre for spontaneous water days

### Attendance Requests

The summer schedule is now complete, and activities and staffing have been arranged as per the daily numbers. If you will be away from the centre and it was not reported on your summer form, please let us know ASAP. All additional requests are subject to availability.

### Fundraising Notes

Thank you to those who have dropped off recyclables. Don't forget about all those summer beverage containers – it's going to be a hot one!

1. Collect containers in **transparent** (blue or clear) bags. (The Express system requires customers to use standard-size transparent recycling bags (70-75 litres in size).
2. Bring your bagged

containers to the nearest  
Return-It Express location.

it.ca/locations/express/](https://www.return-it.ca/locations/express/)

3. Print Return-It Express labels at the kiosk using the Kid's Cottage Daycare phone number 604-521-8952, select the number of bags you are dropping off, print labels, tag each bag with a label and drop off the tagged bags in the designated Express drop-off area.

It's that Easy 😊
